Membership Form

Dear Northwood Lake Friend;

In 1992 a group of concerned Northwood Lake residents formed the Northwood Lake Watershed Association to deal with a worsening milfoil infestation problem. Since then our activities have continued to include the monitoring and treatment of the ever present milfoil in our lake, as well as providing educational resources to our members and the lake community at large. Our volunteer elected officers and directors come from all three towns that have a shoreline on Northwood Lake; Northwood, Deerfield, and Epsom.

If you have been a member of the NLWA in the past, please take this opportunity to continue your membership. If you are not a member, join us today. Membership is open to anyone who has an interest in enjoying, preserving, and protecting the quality of Northwood Lake. You don't have to live on the lake to join. Annual dues are \$20 per member (a member can be an individual, a family, a business, or an organization). Your money will go to things like milfoil treatment, the yearly lake vegetation survey, and water quality testing programs.

We want more than your money though, we want you, your participation. Frankly, there wouldn't be a Northwood Lake Watershed Association if it weren't for the dedicated people that volunteer their time, energy, and ideas to our cause. The NLWA gives you the opportunity to positively affect your surroundings, your environment, and the lives of your family and neighbors. Please consider volunteering some time with us. If you'd like to discuss how you can help, check the box on the form below indicating your interest.

Please fill out the form below and return it to the address above. Please make your check out to "Northwood Lake Watershed Association" or "NLWA". Feel free to write your comments on the back of the form.

Thank you.
